

THE NAKED SINGULARITY

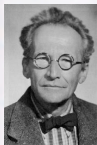

Why did the chicken cross the road?

The chicken did not cross the road. The road passed beneath the

Not again, how many times do I have to tell it to stick to the safety of its cage?

The chicken doesn't cross the road. Rather, it exists simultaneously on both sides... just don't peek.

Our experiment was a failure. We could not detect the road.

Concept art my friends!

What you see above will soon be worn by the most famed of famous people. Actresses and models will grace red carpets wrapped in designer gowns imitating it's lovable style and striking simplicity. It's inspiration: chicken jokes people. They're all the rage and never out of style. Why did the oddly rounded chicken cheerfully stroll his way across the cool asphalt on that starry night?

"What's this all about?" is a better question. Well folks, up there is the start of a great tshirt. Our own Derric Featherstone has been hard at work sketching, doodling and now MSPainting to get it all ready. By the way that ---> isnt Blacksburg, it's Cancun.... if you couldn't tell...
